Terms of Parent Agreement

The Parent agrees as follows:

2. The details I have provided on the Parent Agreement are accurate and I will amend by informing the Provider and completing the relevant section of the agreement with my Provider as my Child moves through the entitlements by age group, (to be agreed by the Provider) and I understand that any false information provided could lead to the funding being withdrawn.
3. I will ensure my Child attends the Provider for the number of funded hours I have requested and will inform the Provider of the reason for absences. I understand the Provider is entitled to terminate this Agreement if my Child does not attend for ten Provider Working Days and I fail to inform the Provider of the reason for absence.
4. I have to pay the Provider direct in accordance with the Provider's separate terms and conditions, a copy of which I have seen:
 - a) for any additional Services I have requested or received from the Provider in excess of my Child's Statutory Entitlement,
 - b) for any Services provided by them during any period where I am not entitled to receive funding from Kirklees Council in accordance with the terms of this Agreement and the Statutory Entitlements.
5. If I wish to cancel this Agreement with the Provider or move my Child's funded place to a new Provider, I will give the Provider at least twenty Provider Working Days written notice.
6. I understand that it is my responsibility to apply for the Working Parent Entitlement and to renew my eligibility every 3 months or when requested by His Majesty's Revenue and Customs (HMRC).
7. Where applicable, if my employment circumstances change and my Child is no longer eligible for the Working Parent Entitlement, I will notify the Provider that this is the case. I understand a grace period will apply.
8. I understand that I am required to show the Provider my Child's birth certificate, passport, or adoption certificate as proof of my Child's identity and date of birth.
9. Where there is any conflict between the terms of this Agreement and those of the Provider's separate terms relating to the Statutory Entitlement, the terms of this Agreement shall prevail.
10. I understand and agree that the information provided on the Parent Agreement will be shared with Kirklees Council (through the Provider Portal) and the Department for

Education (through the Early Years Census). I understand Kirklees Council will access information from other government departments (HMRC and the Department for Work and Pensions (DWP)) to confirm eligibility and entitlements. I understand that personal data submitted by my Provider about my Child will be used by Kirklees Council, in accordance with the Data Protection Act 2018, throughout my Child's early education.

The Provider agrees as follows:

1. I shall provide the Early Education and Childcare Services to the Child as set out on the Parent Agreement in accordance with the FEEC Guide, the terms of this Agreement and the Kirklees Agreement and understand that failure to do so could result in our receiving no payment, or refunding any payments made to us, and/or removal from the Kirklees List of Approved Early Education and Childcare Providers.
2. I have checked the Child's original identification document (i.e. birth certificate) to verify the Child's full legal name and date of birth and kept a copy.
3. I shall enter into the "Kirklees Agreement" with Kirklees Council regarding the provision of Services to the Child as set out on the Parent Agreement and the 'Delivery of Early Education and Childcare Provider Guide'.

5. I will (together with the Parent) complete and sign the relevant section of the agreement as the Child moves through the entitlements by age. If the Child is stretching their entitlement, I agree to complete the relevant section of the Parent Agreement at the start of each financial year (in April before the start of the summer term).
6. I will notify the Parent in writing and in advance, of the days I am not open for business during the length of this Agreement (with the exception of weekends, Good Friday, Christmas Day, bank holidays and any designated public holidays).

Key Facts Statement

Section A: Working Parent Entitlement for children aged nine months to two years old

Eligible working Parents of Children aged nine months to two years old can receive 30 weekly funded hours from September 2025. This entitlement is known as the Working Parent Entitlement and is also referred to as Expanded Hours. Parents need to apply through [Childcare Choices](#)

The table below shows when your Child may be eligible for a funded place, subject to assessment of eligibility by His Majesty's Revenue and Customs (HMRC). Please note you need to apply to HMRC by the deadlines in the table below, it is recommended to apply at least one month before the deadline.

Section B: Two-Year-old entitlement for Families in Receipt of Additional Support (FRAS)

Families in Receipt of Additional Support (FRAS) includes in receipt of eligible qualifying benefits, or No Recourse to Public Funds (NRPF), or Social Needs. Two year olds are entitled to 15 hours per week if the Child or parent/guardian meet the eligibility criteria, Parents can view the eligibility criteria and apply to Kirklees Council for a six digit code at this link: [Free learning and childcare for 2 year olds | Kirklees Council](#)

Some Parents will meet both the criteria for the Working Parent entitlement and the Families in Receipt of Additional Support (FRAS) entitlement for their two-year-old. If you meet both criteria you can apply under both schemes as your Child will remain eligible for 15 hours under the

FRAS entitlement even if your circumstances change, whereas with the Working Parent entitlement you can lose eligibility.

From September 2025 you will need a Working Parent code from HMRC to receive 30 hours as the FRAS entitlement will remain at 15 hours. Please provide both your National Insurance number and date of birth on the Parent Agreement so your eligibility can be checked under both entitlements.

Eligible two-year-old children are only entitled to 15 hours in the summer term 2025 even if eligible under both entitlements.

Section C: Three- and Four-year-old Universal Entitlement and Working Parent Entitlement

Every Child is entitled to 15 hours of Early Education and Childcare each week for 38 weeks (570 hours each year) through the Three- and Four-Year-Old Universal Entitlement regardless of Parent/Guardian employment status, income, or immigration status. This is known as the Statutory Universal Entitlement. There is no application for the Universal Entitlement and no code is required.

Families that meet the Government's eligibility criteria for Working Parents are entitled to an additional 15 hours of funded Childcare each week for 38 weeks (an additional 570 hours each year, subject to continued eligibility), this is known as the Working Parent Entitlement and is also referred to as Extended Hours. Parents need to apply through [Childcare Choices](#)

Families that are entitled to the Working Parent entitlement can therefore receive up to 1,140 hours in total each year (subject to continued eligibility), usually taken as 30 hours a week over 38 weeks.

The table below shows when your Child is eligible for a funded place, your Child may qualify for a funded place earlier than this (see sections A and B). The table also shows the deadlines you need to apply to HMRC by if you are eligible to the Working Parent entitlement, it is recommended to apply at least one month before the deadline.

1 st September and 31 st December	31 st December	The start of the spring term beginning on or after 1 st January after your Child's 3 rd birthday

Section D: Stretching the Entitlement

'Stretching' means your Child may be able to use their funded hours all year round without the need to purchase Childcare during the school holidays. For example, instead of using 15 hours each week for 38 weeks, your Child could use 11 hours for 51 weeks (22 hours if eligible to the Working Parent Entitlement). Your Provider will be able to tell you if they offer stretch and how it works.

Stretching is not the same as spreading childcare costs over equal monthly payments. Some Providers calculate charges for additional hours and services over the year to spread the cost evenly.

It is important to note that if your Child is moving into a school nursery class or any Provider who does not offer stretch in the autumn term (September) you must limit your hours to the maximum allowed for a standard claim in the summer term which is 180 hours (universal or FRAS entitlement) or 360 hours (Working Parent Entitlement).

If your Child attends a stretch Provider in the summer term and then moves to a new Provider in the autumn or spring terms who does not offer stretch (they offer term-time places only) please note you may not have enough hours left to cover the autumn and spring terms due to the long stretch period in the summer term.

For all Children moving into a full-time school reception place in the autumn term (usually the September after your child's 4th birthday) the stretch hours will automatically be capped at 180/360 hours in the summer term.

You must tell your new Provider that your Child has stretched, and the new Provider must manage the remaining entitlement and be clear with you about how this will be made available. The new Provider can invoice you for any funded hours you have accessed over the maximum entitlement, claim less hours per week or adjust your Child's attendance dates for the funded period.

Section E: Funding to support children with additional needs

Early Years Pupil Premium (EYPP)

Providers can claim extra funding through Early Years Pupil Premium to support Children's development, learning and care. Children whose parents are in receipt of certain benefits, Children currently looked after by the local authority and children who have left local authority care through adoption, Special Guardianship Order (SGO) or Child Arrangements Order (CAO) are eligible.

Parental consent to check eligibility for EYPP is collected on the Parent Agreement. Please enter your name, date of birth and National Insurance or National Asylum Support Service (NASS) number.

If your Child has left care through adoption, SGO or CAO please give a copy of the order to your Provider.

Full eligibility criteria can be found at this link: [Early Years Pupil Premium](#)

EYPP is available on the universal 15 hours entitlement for three- and four-year-olds, the 15 hours entitlement for FRAS (two year olds) and up to 15 hours for children aged nine months to two years old that are eligible to the working parent entitlement.

Disability Access Fund (DAF)

Providers can claim Disability Access Funding (DAF) to support children with a disability to access the funded entitlement. A lump sum payment is available annually to Providers who have eligible funded Children in receipt of Disability Living Allowance (DLA). To apply for DAF please speak to your Provider – further information can be found at this link: [Disability Access Funding](#) DAF is available for all age groups from 9 months to 4 years old.

Section F: About the Parent Agreement

Period of the Parent Agreement

Parents complete one agreement with each Provider that their Child attends. The agreement could potentially be in place from when a Child first qualifies for the Working Parent Entitlement until the Child leaves to attend a full-time school place. The Agreement will need to be updated periodically as your Child moves through the different entitlements depending on their age. If you are stretching your entitlement the 'Stretch Year' sections must be completed annually at the start of each financial year, i.e. from the summer term which starts after the Easter holidays and ending in the following spring term, which is just before the Easter holidays.

Important information

- a) You must provide the correct details for your Child including their full legal name as shown on their Birth Certificate or Adoption Certificate. You must also provide accurate details of your Child's intended attendance pattern whilst they are accessing the relevant entitlement for their age. If you need to change your Child's attendance pattern, you can

do this by completing a new Parent Agreement or updating the relevant entitlement by age section as long as your Provider agrees and can accommodate your request. If any of your Child's details change or you change your address you should inform your Provider in writing, for example a change of legal surname. Your child's record will be used throughout their education including when your Child starts school, so it is vital that the council has your Child's correct details.

- b) Your Child can access their funded entitlement at more than one Provider but is limited to attending a maximum of two sites in any one day, for example your Child could attend a breakfast club on a school site followed by a morning session at the school nursery and then go to a childminder for the rest of the day. The funded entitlement can be accessed at several types of provision including schools and academies with nursery provision, day nurseries, pre-schools, playgroups, childminders, out of school clubs and holiday schemes. If your Child does attend more than one Provider, you must complete and sign a Parent Agreement with each Provider.
- c) The Department for Education (DFE) Statutory Guidance states that the maximum number of funded hours that can be claimed each day is 10 hours. There is no minimum session length, but funded hours cannot be claimed before 6am or after 8pm.
- d) You should try to ensure your Child attends each funded session. However, if this is not always possible you must notify your Provider of any reasons for absence. Your Provider will give you twenty Provider Working Days¹ written notice to end your Child's place if your Child is absent for ten Provider Working Days and you have not told your Provider why your Child is absent. If such notice is given within twenty Provider Working Days prior to the end of the Provider's funding period relating to any school term, the notice will be reduced to the remaining Provider Working Days of that funding period.
- e) Your Provider will be able to provide you with further information if your Child has an extended holiday (more than 4 weeks) during the funded period or if your Child is absent long term due to illness.
- f) Government funding is provided to cover the cost of the 15 or 30 hour place. It does not cover the cost of meals, consumables, additional hours, or additional services. Providers can make additional charges for these or must offer reasonable alternatives including options for Parents to supply their own consumables or food. Therefore, you will have to pay your Provider for any additional hours or services that you request, for example if

¹ Provider Working Days means any day the Provider is usually open for business, therefore in most cases excluding weekends, Good Friday, Christmas Day, bank holidays, days designated as public holidays and any day specified by the Provider as a non-working day. Your Provider will notify you in writing and in advance, of the days they will be closed during the length of your Agreement. This may be by email, on their notice board or published on their website.

you require more than 15 hours a week, 570 hours a year, or if you are eligible to the Working Parent Entitlement, you require more than 30 hours a week, 1,140 hours a year.

- g) Providers should publish their admissions criteria and any charges for consumables, additional hours and additional services and make these easily available to Parents to enable Parents to make an informed choice of Provider. Chargeable extra services or hours must not be a condition of taking up a funded place.
- h) Providers cannot charge top-up fees, this is the difference between a Provider's normal charges and the funding that they receive from Kirklees Council to deliver funded places.
- i) To cancel your Agreement (or change Provider) you will need to give the Provider at least twenty Provider Working Days written notice. Written notice can be electronic for example an email.
- j) If you are eligible to the Working Parent Entitlement and your circumstances change which mean you are no longer eligible you must inform your Provider. Provided your Child has started accessing their Working Parent Entitlement place, a grace period will apply which enables your Child to continue attending for a specified period of time. The grace period end date can be found on your Childcare Services Account and your Provider can also inform you of the Grace Period End Date.
- k) The terms of the Parent Agreement will replace any other agreement you have with the Provider in relation to your Child's Early Education and Childcare entitlement.
- l) Your Child can start their funded place at a Provider before the final termly deadline which is two weeks before the end of the school term, subject to the start date being after the twenty Provider Working Days' notice period at any previous Provider, if applicable. Once this deadline has passed it will not be possible for changes to be made to your Child's funding until the following term. This includes movement to a different Provider after the deadline.
